ABOUT ME

Hi, I'm Franz Mesarich!
I'm a Graphic Designer and Web Developer specializing in UI/UX and UGC (TikTok) design. I'm passionate about creating clean, user-friendly interfaces that blend creativity with functionality. My skills include Adobe Creative Suite, Figma, Canva, Wordpress, Elementor, Shopify, Wix, and more. I'm also a TikTok creator with experience in UGC and video editing, helping brands connect with their audience through engaging content. I'm fluent in English and German, and I thrive in fast-paced, collaborative environments where I can bring my creative vision to life.
